

Green Mountain Camp Scholarship Application

Thank you for your interest in Green Mountain Camp (GMC). We are committed to ensuring all girls have the opportunity to participate in the GMC Summer Program. GMC has limited scholarship funding available on an as needed basis, to assist in financial barriers that may interfere with camp participation. Scholarships are made available through generous individual contributions and grant funding to GMC.

In order to offer the GMC experience to as many campers as possible, we focus on awarding partial scholarships for one camp session per camper.

All scholarship information will be kept confidential and solely used for the purpose of scholarship awards. If you are interested in being considered for a GMC scholarship, confirm you meet the eligibility requirements and then fill out the following application.

Eligibility Requirements:

- Currently registered and have paid a \$100 non-refundable deposit for a camp session prior to applying.
 - Exceptions may be made if a scholarship is needed to help cover the cost of the deposit.
- The family must not have any outstanding fees due to GMC.
- Applications are accepted annually from February 6 to May 24.
 - Additional considerations will be made for applications during the summer for registrations after June 3.
- Scholarships will be considered for about 30-80% off one camp session (per camper per summer) based on need.

Scholarship Application Process:

- An application should be completed for each camper.
- Applications should be filled out completely for consideration.
- Applications must be completed and submitted by May 24.
 - For registrations after June 3, applications should be submitted two weeks prior to the camp session start date.
- Online forms are preferred and can be found at: www.greenmountaincamp.com/
 - Paper forms will be accepted as an alternative method and can be e-mailed to GMCforgirls@gmail.com or mailed to Green Mountain Camp, 565 Green Mountain Camp Road, Dummerston, VT 05301.
- Notification of received submission will be sent by e-mail within two weeks of submission or automatically when applying with the online form.
- Scholarship applications will be reviewed, and allocations will be awarded monthly.
- Notification of awarded scholarship funds will be sent by e-mail at the end of each month leading up through the end of May. Awarded scholarships will be applied to your camper's registration account and deducted from the balance due.
- Families with awarded scholarships may also have to submit the Summer Food Program Eligibility Form. If this is needed, more information will be shared later in the spring.
